

Glass

What really sets our doors apart from the rest is our exclusively designed glass.

Ensure that your entrance is the best it can possibly be by choosing from our stunning range.

Only found in a Distinction Door, our decorative glass is triple glazed and laminated as standard and goes hand in hand with our superior quality doors.

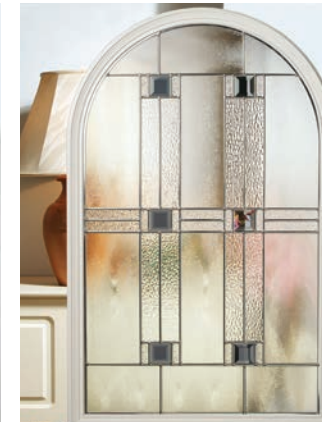

Our double glazed options also carry the highest quality.

Furthermore every one of our Esprit collection, features individually designed glass to suit that specific door style for a perfect entrance way.

Visit the door designer to try out your favourite door, glass and colour combination, **door-designer.co.uk**.

Enclosed Mini-blinds

An enclosed mini-blind is the perfect solution for controlling light and privacy in your home.

Mini-blinds can be handed left or right and have a simple control mechanism to be raised or tilted with one hand. This system uses a magnetic tab rather than a traditional cord, so is completely safe for use around children.

The mini-blind is enclosed within two panes of glass in the frame so never require painting and are protected from damage and dust. They are a stylish finishing touch to any external door.

nxt-gen

The front door. We all know how important it is. It's the first thing we see and we use it every day. It protects us and our possessions and helps keep our home safe and warm. All the while, we expect it to look good, and stay looking good.

That's why we have developed the nxt-generation composite door. Our nxt-gen range combines innovation and simplicity with the performance you'd

expect from a modern composite door.

Characterised by sleek lines and a flush finish, the nxt-gen range oozes style.

Make it your own and choose from over 30 bespoke colours and a wide selection of decorative glass. The nxt-gen range - front doors for modern life.

Signature

A quality front door says a lot about the owner. It makes a statement. It speaks of intent, character and aspiration. Our Signature range does exactly that.

With a more traditional finish, our Signature doors are designed to complement and respect the architecture of your home.

This range is the perfect choice for those wishing to add a touch of classical style and elegance to their home.

With our Signature range there's a door to suit every property. Modern or traditional. Town or country.

Double rebate doors

Sometimes it's the little things in life that can give the most satisfaction. The feel of reassurance and quality you get from closing a thicker and heavier door is a perfect example. Our collection of double rebated doors are almost 50% thicker, and you can enjoy over 35% better thermal efficiency to help

the environment and your heating bills. Improved noise reduction also helps your home remain a sanctuary of peace and quiet. Choose our 50mm triple glazed, laminated glass units for extra security. Glass available: Aspen, Edwardian, Kara (Zinc or Brass Caming only) and Monza.

Double the difference

In short, a double rebated door is exactly as it sounds - a door with two seals. Giving extra reassurance against unwanted adverse weather and sound.

See the full range on page 65.

Disclaimer: Please note this range is not SBD accredited.

Contemporary

We know that style and security are no longer mutually exclusive. That's why we have great pleasure in introducing you to our contemporary door styles.

This range takes how you think a front door should look and flips it, offering grooves, wood-grain effect and playful glass configurations to create statement door styles.

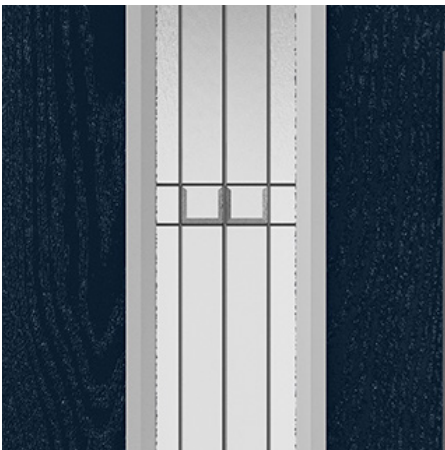

Then, dial up or down with one of our bespoke colours.

Remember you can choose a colour for both inside and out, and they don't need to match! Complete the look with one of our glass designs.

Go on...be bold.
