ILLUMINATE YOUR WORLD WITH LUMINA

Imagine your ideal home—a space where family gatherings thrive, entertaining is a joy, and unwinding comes naturally. At Lumina Glazing, we've dedicated ourselves to helping homeowners turn these visions into reality. We understand that when it comes to your home, only the best will do.

Founded with a passion for enhancing homes through superior glazing solutions, Lumina Glazing has quickly become Yorkshire's trusted name in windows, doors, and speciality glazing products. Our strength lies in our expert curation, supply, and installation of the finest glazing solutions available in the market.

Our journey is built on a simple yet powerful premise: to provide homeowners with top-quality windows, doors, and glazing products that not only meet but exceed their expectations. We've cultivated relationships with the best manufacturers in the industry, allowing us to offer a range of products that combine aesthetic appeal with unparalleled functionality.

OUR COMMITMENT

From the moment you reach out to us, through the initial site visit and survey, to the final installation, we work tirelessly to ensure a smooth, hassle-free experience. Our team of experts is dedicated to minimizing disruption to your daily life while maximizing the transformation of your space.

We take pride in our comprehensive approach:

- 1. Expert Consultation:** We listen to your needs and provide tailored advice to help you make the best choices for your home.
- 2. Quality Products:** Our carefully selected range includes windows, doors, bifolds, sliding doors, French doors and roof lights - all sourced from industry-leading manufacturers.
- 3. Professional Installation:** Our skilled installers ensure that every product is fitted to the highest standards, enhancing both the look and functionality of your home.
- 4. Aftercare Excellence:** We stand behind our work with comprehensive warranties and ongoing support, ensuring your satisfaction long after the installation is complete.

WHY CHOOSE LUMINA GLAZING?

- **Local Expertise:** As a Yorkshire-based company, we understand the unique architectural styles and climate considerations of our region.
- **Curated Selection:** We've done the hard work of sourcing the best products, so you don't have to. Our range represents the pinnacle of design, energy efficiency, and security.
- **Tailored Solutions:** Whether you're renovating a classic stone cottage or building a modern eco-home, we have the perfect glazing solutions to complement your vision.
- **Competitive Pricing:** By working directly with us, you benefit from our strong supplier relationships, ensuring you get the best value without compromising on quality.
- **Compliance Assured:** We can take care of all necessary building regulations, providing you with complete peace of mind.
- **Sustainable Practices:** We're committed to reducing our environmental impact, using eco-friendly materials and energy-efficient manufacturing processes in our products and operations.

OUR PRODUCTS

From classic sash windows that maintain the character of period homes to sleek bifold doors that seamlessly blend indoor and outdoor living, our product range is designed to cater to every taste and requirement. Each product we offer is selected for its ability to enhance your home's aesthetic, improve energy efficiency, and ensure superior security.

- **Windows:** Casement, flush casement, tilt-and-turn, and more, in a variety of materials including uPVC and aluminium.
- **Doors:** Entrance doors, patio doors, French doors, and bifold doors that make a statement.
- **Speciality Glazing:** Roof lights that flood your space with natural light and sliding doors that create a seamless connection to the outdoors.

A BRIGHT FUTURE

As we continue to grow, our commitment to quality, service, and innovation remains unwavering. We're constantly exploring new products and technologies to ensure that our clients always have access to the best glazing solutions available. At Lumina Glazing, we're not just installing windows and doors; we're helping you frame your perfect view. Whether you're embarking on a small renovation or a grand transformation, we're here to illuminate your vision and bring it to life.

Discover the Lumina Glazing difference today and let us help you create a home that's unique and inspiring.

WINDOWS

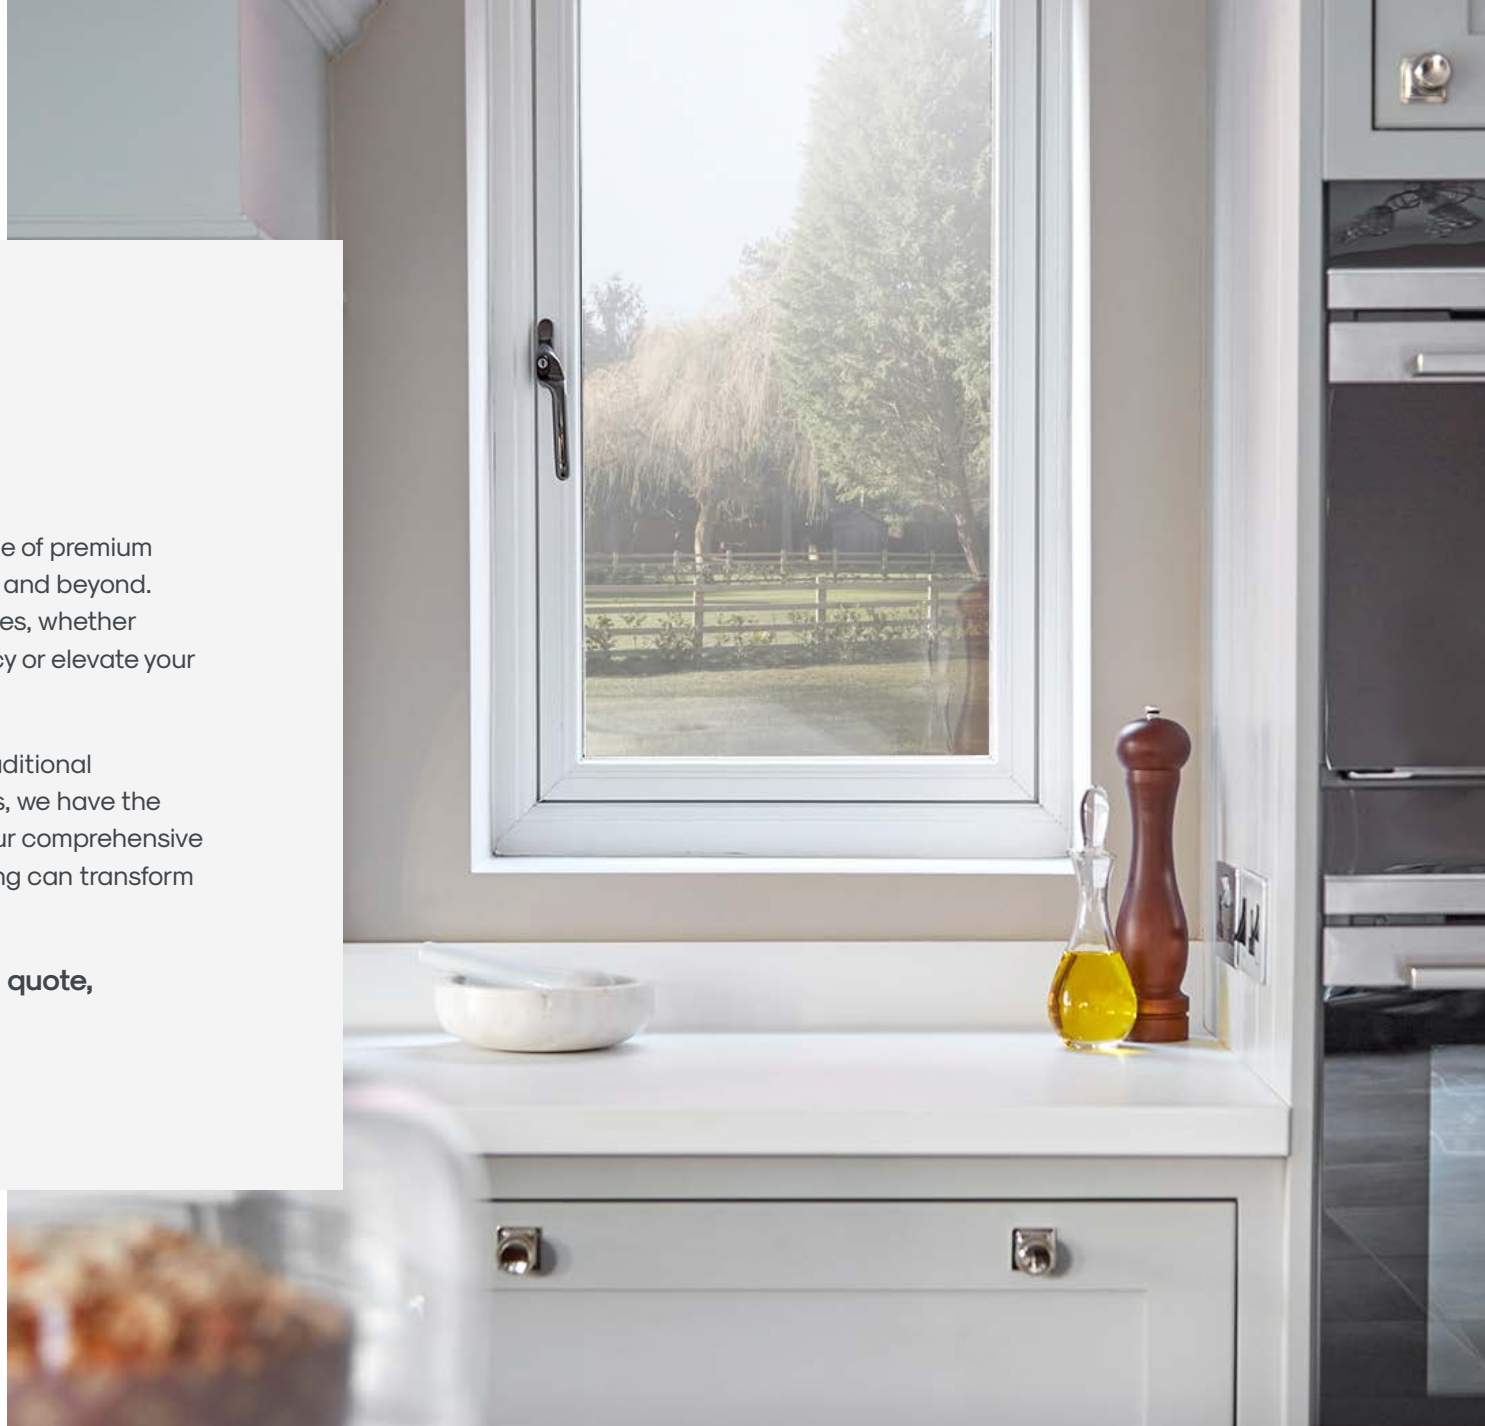

At Lumina Glazing, we offer a diverse range of premium windows to homeowners across Yorkshire and beyond. Our collection caters to various preferences, whether you're looking to enhance energy efficiency or elevate your home's aesthetic appeal.

From classic designs that complement traditional architecture to sleek, contemporary styles, we have the perfect solution for every home. Explore our comprehensive selection and discover how Lumina Glazing can transform your living spaces.

FLUSH CASEMENT WINDOWS

Flush casement windows blend classic design with modern technology, perfect for modern homes. Sitting seamlessly within the frame, they offer a sleek profile that maximizes light and enhances insulation. Crafted from high-performance materials, our flush casement windows combine the timeless beauty of traditional designs with superior durability and energy efficiency. Enjoy clearer views, improved security, and exceptional thermal performance in a low-maintenance package.

Choose Lumina Glazing's flush casement windows to transform your home's appearance and comfort.

GEORGIAN WINDOWS

Georgian windows blend traditional charm with contemporary benefits, enhancing homes across the nation. Featuring the classic six-panel grid design, these windows offer both authentic and stick-on bar options to suit your preference. Available in various styles, including casement and flush designs, our Georgian windows add sophistication to any home while meeting modern functional needs. Engineered with high-quality materials, they provide enhanced security with multipoint locking systems and improved energy efficiency, helping you reduce energy consumption while maintaining classic appeal.

Product: Tilt & Turn
Colour: Anthracite Grey Woodgrain

TILT & TURN WINDOWS

Create a calming, comfortable atmosphere with Lumina Glazing's tilt and turn windows. Our expertly crafted windows provide ideal solutions for homes prioritizing safety and access. With four secure locking points, they offer outstanding security without compromising style, featuring clean lines for easy maintenance. At Lumina Glazing, we give you control over your living space. Our windows offer two opening methods, allowing maximum ventilation with minimal outside noise. Whether you prefer a gentle tilt for subtle air circulation or a full turn for cleaning and unobstructed views, our windows adapt to your needs.

BOW AND BAY WINDOWS

Bow and bay windows from Lumina Glazing offer a unique way to transform your home. These distinctive styles extend outward, creating panoramic views and flooding your space with natural light. Bow windows feature a soft, curved design with ample glazing, evoking classic charm while capturing more heat and light. Bay windows showcase a more angular design with additional frames, providing greater strength through their robust structure. Both styles enhance your home's aesthetic, maximize light, and genuinely expand your living space.

Choose Lumina Glazing's bow or bay windows to add stunning visual appeal and functionality to your home.

COMPOSITE DOORS

Composite doors from Lumina Glazing offer traditional charm with modern benefits. These doors recreate the timeless timber look while incorporating durable materials like GRP. Designed to withstand all weather conditions, composite doors provide superior insulation and security with their reinforced core. The GRP coating ensures low maintenance, resisting stains and damage while being easy to clean.

Choose our composite doors for a perfect blend of classic aesthetics, energy efficiency, and long-lasting performance that enhances any home.

BIFOLD DOORS

Bifold doors create a stunning focal point in any home. Their unique design allows multiple glass panels to fold, offering a wide, open passageway that seamlessly connects indoor and outdoor spaces. Versatile in application, these doors can divide larger rooms or replace walls, flooding your space with natural light. Available in a range of high-quality materials to suit your preferences and budget, our bifold doors combine strength, durability, and style. Whether you prefer the classic appeal of uPVC or the sleek, modern look of aluminium, we have options to complement any architectural style. Choose Lumina Glazing's bifold doors to transform your living space with style and functionality.

Our expert team will guide you in selecting the perfect material and design to meet your specific needs and enhance your home's aesthetic appeal.

INTEGRAL BLINDS

Discover the perfect solution for expansive glass surfaces: integral blinds. These innovative Uni-blinds offer unparalleled control over privacy, light, and solar gain. Seamlessly integrated within the glass itself, they remain discreetly hidden when not in use and effortlessly fold away with your doors. Enjoy the ultimate convenience of blinds that never require cleaning, combining functionality with sleek design. Transform your bifolding doors into a versatile, low-maintenance feature that adapts to your needs at any moment.

FRENCH DOORS

Lumina Glazing's French doors blend timeless elegance with modern performance. These classic double doors flood your home with natural light and provide seamless indoor-outdoor access. Our French doors combine traditional charm with advanced materials and glazing, offering enhanced energy efficiency and insulation. Versatile and practical, they're perfect for various settings, including conservatories, improving accessibility and complementing diverse architectural styles.

Choose Lumina Glazing's French doors to elevate your living space with a perfect mix of classic design and contemporary functionality.

ROOF LIGHTS

Transform your home with Lumina Glazing's stunning roof lights. These architectural marvels flood your living areas with natural light, creating a sense of space and bringing the outdoors in. Our roof lights combine sleek design with superior performance, offering excellent thermal efficiency and weather resistance. Available in a range of styles and sizes, from contemporary minimalist designs to classic Victorian-inspired structures, our roof lights can be customized to complement any home. Whether you're renovating a kitchen, creating a bright dining area, or adding drama to a bedroom, our expert team will guide you in selecting the perfect roof light to elevate your living space and add value to your property.

Experience the Lumina Glazing difference - where quality craftsmanship meets innovative design, bringing light and life into your home.

YOUR VIEW OF YORKSHIRE, PERFECTLY FRAMED

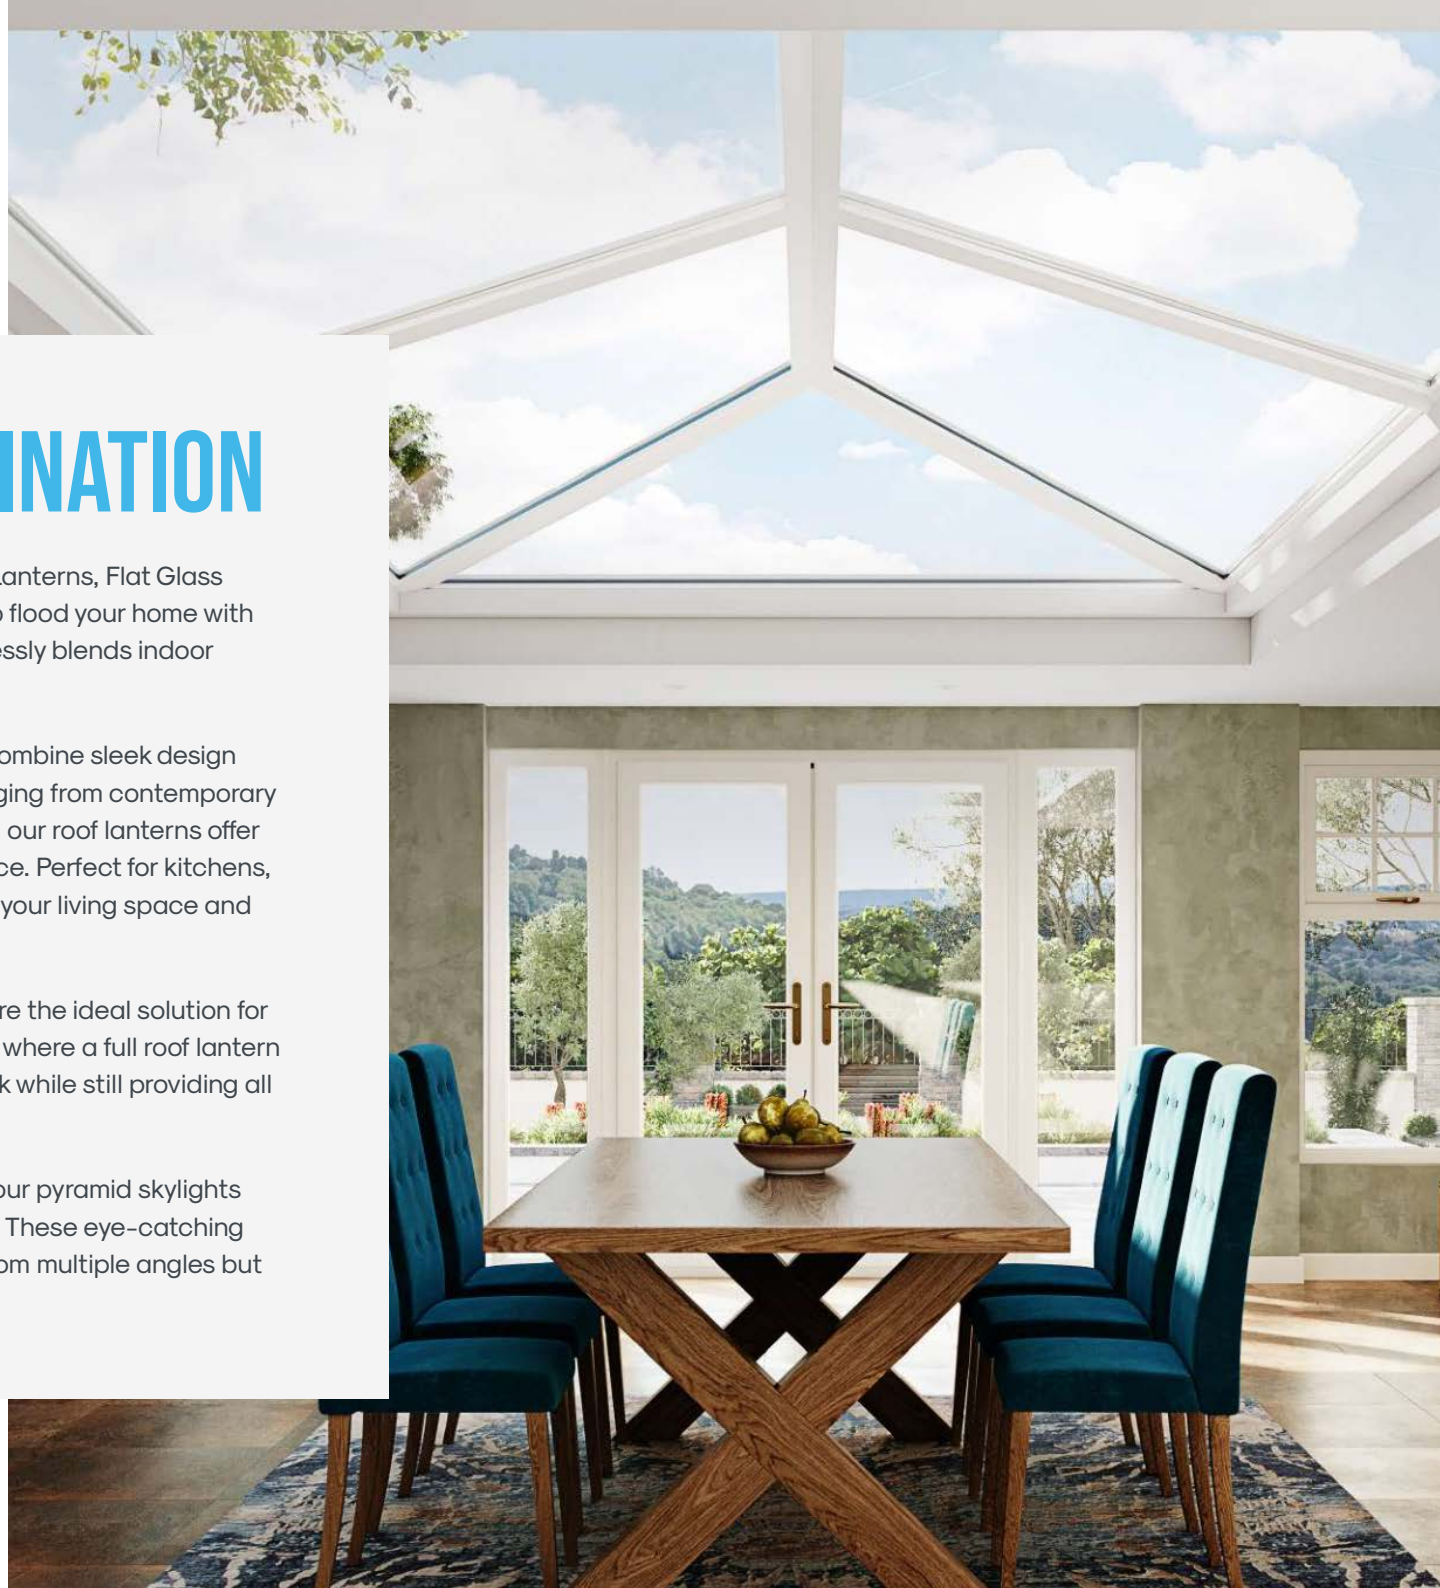

OVERHEAD ILLUMINATION

Our range of stunning roof lights – including Roof Lanterns, Flat Glass Skylights, and Pyramid Skylights – are designed to flood your home with sunlight, creating an airy atmosphere that seamlessly blends indoor comfort with outdoor beauty.

Roof Lanterns: Our architectural masterpieces combine sleek design with superior performance. Available in styles ranging from contemporary minimalist to classic Victorian-inspired structures, our roof lanterns offer excellent thermal efficiency and weather resistance. Perfect for kitchens, dining areas, or bedrooms, they're sure to elevate your living space and add value to your property.

Flat Skylights: Sleek and modern, our skylights are the ideal solution for bringing natural light into smaller spaces or areas where a full roof lantern might not be suitable. They offer a streamlined look while still providing all the benefits of increased natural light.

Pyramid Skylights: For a touch of dramatic flair, our pyramid skylights offer a unique architectural element to your home. These eye-catching installations not only flood your space with light from multiple angles but also create a stunning focal point in any room.

DISCOVER YOUR COLOUR

Transform your home with our diverse palette of irresistible colours for windows and doors. From rich woodgrains to sleek matt finishes, each option offers a unique way to express your style and enhance your home's character.

Our carefully curated selection caters to every taste and architectural style:

- **Classic elegance?** Choose from our timeless neutrals.
- **Bold statement?** Explore our vibrant, eye-catching hues.
- **Natural charm?** Our earthy tones bring warmth and harmony.
- **Modern edge?** Discover our contemporary shades for a cutting-edge look.

With such freedom of choice, your windows and doors become powerful design elements, allowing you to create striking contrasts or seamless harmony with your home's exterior and interior.

Double the Impact: Colour Inside and Out

Why limit the beauty to the outside? Our colour options extend to the interior of your frames, allowing you to create a cohesive look throughout your home or add an unexpected pop of colour to your rooms.

Endless Possibilities Mix and match colours for truly bespoke windows and doors that reflect your unique vision. Our expert team is ready to guide you through the exciting world of colour combinations, helping you make choices that will enhance your home's appeal for years to come.

COMPARISON OF UPVC AND ALUMINIUM

At Lumina Glazing, we cater to the unique needs of every home by offering both uPVC and Aluminium options for our windows and doors. Each material offers distinct advantages in terms of style, performance, and budget. Whether you prefer the cost-effective, low-maintenance uPVC or the sleek, strong Aluminium, our expert team will guide you to the ideal choice for your home.

uPVC:

- Versatile appearance with various colours and finishes
- Excellent thermal efficiency
- Low maintenance and easy to clean
- Cost-effective with great value for money
- Lifespan of 20–30 years with proper care

Aluminium:

- Sleek, modern look with slim profiles
- Extremely strong, allowing for larger glass areas
- Good insulation with thermal breaks
- Minimal maintenance, corrosion-resistant
- Longer lifespan of 40+ years
- 100% recyclable

Whichever material you choose, you're assured of a product that combines durability, energy efficiency, and aesthetic appeal. Let Lumina Glazing help you make an informed decision that will enhance your home for years to come.

GLASS TYPES

Lumina Glazing offers a wide range of glass options to enhance your windows and doors, balancing functionality with style.

Performance Glass:

- Double Glazing: Standard insulation and noise reduction
- Triple Glazing: Maximum thermal and sound insulation
- Low-E Glass: Reflects heat for improved energy efficiency
- Acoustic Glass: Reduces external noise
- Safety Glass: Toughened or laminated for added security

Energy Efficiency: Our glass options enhance your home's thermal performance, optimizing comfort and potentially reducing energy costs. Ask our experts about the best options for your needs and local climate.

Customization: Combine performance glass with decorative finishes for unique windows and doors. Our experts will guide you to the perfect balance of functionality and style.

Decorative Finishes:

- Frosted Glass: Translucent for privacy
- Etched Glass: Custom patterns for a bespoke look
- Stained Glass: Colourful traditional or modern designs
- Textured Glass: Various patterns for obscured visibility
- Leaded Glass: Classic diamond or square patterns
- Bevelled Glass: Angled edges for light refraction
- Sandblasted Glass: Custom designs for a modern look

ACCREDITATIONS

Your Assurance of Quality and Trust

At Lumina Glazing, we're committed to maintaining the highest standards in the industry. Our accreditations are a testament to our dedication to quality, security, and customer satisfaction. Here's what our memberships mean for you:

FENSA (Fenestration Self-Assessment Scheme)

A government-authorized scheme that monitors building regulation compliance for replacement windows and doors.

Secured by Design

A police initiative that improves the security of buildings and their immediate surroundings to provide safe places to live and work.

TrustMark

The Government Endorsed Quality Scheme that covers work a consumer chooses to have carried out in or around their home.

What These Accreditations Mean for You

By choosing Lumina Glazing, an accredited company, you benefit from:

- Automatic certification of compliance, saving you time and hassle
- All our work includes a 10-year, insurance-backed guarantee
- Confidence that your installation meets energy efficiency standards
- Access to dispute resolution services if needed
- Confidence in our technical knowledge and installation skills
- Reduced risk of crime through improved security features
- Confidence that we meet government-endorsed standards
