

# The colour palette

Colour has the ability to change your mood, spark an idea and trigger a reaction. We categorise things by colour and we all have our favourites. That's why it's important to choose the right colour for your front door; you are setting the mood for the whole house. Carefully curated in-house, our non-

toxic, odourless, low emission and eco-friendly bespoke paint range offers something different. Discover deeper, richer tones; classic and delicate neutrals; and shades designed to bring joy. You can choose a colour for both inside and out, and they don't need to match.
